

# Leadership Training Program for Scientists

September 28 & October 26, 2010 | Cambridge, MA

This **two day, intensive seminar** provides a comprehensive understanding of current best practice leadership strategies and tools for those in the science / R&D field.

The program features:

- **360 surveys** for each participant to receive objective data about their communications effectiveness.
- Strong focus on participants **applying seminar skills and tools** between sessions
- **Science/ R&D applications** of current best practice leadership strategies and tools
- **Enrollment is limited** to 15 to ensure program relevance and individual focus

**DATES:** September 28 & October 26, 2010 (Both days should be attended)

**TIME:** 9:00 AM to 5:00 PM

**LOCATION:** MassBio Offices, One Cambridge Center, Cambridge, MA

**COST:** \$1350 Employees of MassBio Member Companies | \$1500 Non-Members

---

## COMMENTS FROM PAST PARTICIPANTS

*"The program was extremely insightful and allowed each individual to look inwardly at how they are perceived outwardly. The **one-on-one coaching** was very helpful."*

*"The **360 survey** revealed areas for improvement and opened communication lines."*

---
